Naaman's bubble bath ORDERS

A very important bubble bath.

Read it like a general.

You'll need: your usual bubble bath, a bath toy, a plastic cup and a washcloth.

Choose a card. Read the order in your most important general voice.

The child carries it out while sitting in the bath. Then choose another.

Grown-ups: stay beside the bath. Keep the paper cards dry, outside the water.

ORDER 1

A hat for my duck

Give your duck, or another bath toy, a tall hat made of bubbles.

NAAMAN SAYS

"A taller hat, please."

ORDER 2

A bigger mountain

Pile the bubbles into a mountain as tall as you can.

NAAMAN SAYS

"I ordered a mountain. That's a hill."

ORDER 3

Make way

Clear a river through the bubbles for your bath toy.

NAAMAN SAYS

"A general does not take detours."

More orders, General?

Print pages 2-3 single-sided. Cut around the cards, or leave the sheets whole.

Play in any order. Use a bath toy you already have; a duck is optional.

Read an order, play with the foam, then choose what happens next.

Grown-ups: stay beside the bath. Keep the paper cards dry, outside the water.

ORDER 4

Bring me bubbles

Fill a plastic cup with bubbles. Tip them beside your bath toy.

NAAMAN SAYS

"Yes. All of those are mine."

ORDER 5

Pop those bubbles

Find three bubbles in the foam. Pop them with one fingertip.

NAAMAN SAYS

"I said three."

ORDER 6

Wash the duck

Use a wet washcloth to wipe the bubbles off your bath toy.

NAAMAN SAYS

"You missed a bit."
